STATUS OF CONSTRUCTION FORM

PERMIT #

The status of construction on my lot is as follows (check one and fill in where necessary):

_____ Construction has been completed and my site is ready to be inspected for compliance with my permit.

_____ I have not yet commenced / completed (circle one) construction for the reasons(s) stated below. I hereby request a time extension to my permit and anticipate that construction will be started by _____ and completed no later than _____. The fee for a time extension amendment is \$35. Please submit that amount with this form.

_____ I no longer plan to undertake the development allowed by my permit. I understand that if I do decide to build in the future a new permit from this Commission will be necessary.
